

Wisconsin Mutual Insurance Company had Net Income before Federal Taxes of \$13.2 million and increased Surplus by \$10.1 million as a result of excellent underwriting results. The Company posted record levels of Surplus (\$85.4 million), Assets (\$151.8 million) and Direct Written Premiums (\$76.5 million) in 2016. The combined ratio of 86.2% was again one of the best in the industry, while Surplus growth has averaged 8.2% over the last 10 years.

The combined ratio generated an underwriting profit of \$10.0 million, with \$1.8 million coming from the Automobile lines of business. Gains in Auto Liability (\$2.8 million) were offset by losses in physical damage (\$1.0 million). The Commercial lines generated \$1.7 million of income. Due to moderate storm activity in Wisconsin in 2016, the Homeowner lines of business generated income of \$3.9 million. The Farmowners generated \$1.2 million of income and all other lines \$1.4 million. The growth in Surplus along with a 3.8% rise in Net Written Premiums improved the premiums to surplus ratio from 94 to 86, the strongest level in over 50 years.

The Incurred Expense Ratio (loss expense and other operating expense) went from 32.6% to 31.0%, as the Company again paid out near record Agent Contingent Commissions and Employee Profit Sharing. This ratio continues to be one of the best in the industry. Moderate premium growth and continued expense efficiencies in 2017 will keep this and other financial ratios strong in the future.

Wisconsin Mutual reached new milestones in 2016 of \$76.5 million in Direct Written Premiums and \$151.8 million in Assets. It was the fifth consecutive year of strong growth in profits and financial ratios as the Company maintained its financial strength rating of A- (excellent) from AM Best. We look for continued growth and profits, expanding to MN, while maintaining competitive rates in all lines.

Wisconsin Mutual's outstanding performance is a product of the contributions of our dedicated employees and agents providing exceptional service to our policyholders through both person to person interaction and effective use of technology. We continue to expand our base of insurance offerings and are committed to keeping our products competitive in both price and function, and look to remain a financially secure Wisconsin based company, owned by its policyholders, into the foreseeable future.

Daniel A. Keyes
